Dear Parents and Carers,

One of our aims in school this year is to promote the idea that we are a 'Community of Readers' – this includes the pupils, staff and the families that are part of life at Millbrook Junior School.

We would love to make a display showing the books that our parents and carers loved and remember from their childhoods.

- What was your favourite book/book series as a child?
- Do you have a photo you could share with us?  
(Either an old family photo or a Google image of the edition you remember reading).
- Could you tell us in a few words why you loved this book?

Please send your responses to the school office on [office@millbrookjuniors.co.uk](mailto:office@millbrookjuniors.co.uk)

Yours sincerely

Mrs P Harker  
Reading Hub Leader
