

Millbrook Junior School

Churchill Way, Kettering, Northamptonshire, NN15 5DP
Tel: (01536) 517049 Website: www.millbrookjuniors.co.uk
Headteacher: Mrs Danielle Warren

November 2020

Dear Parents/Carers

Millbrook Junior School is the prefect place for all learners. No matter who you are, this is the place for you. If you read this, you will want to come here.

Headteacher:

The Headteacher of our school is Mrs Warren. She is one of the best headteachers you could ask for. She is generous and full of honesty. She is awfully nice and caring! This is our headteacher.

Teachers:

In our school, we have many teachers, all unique on their own ways. For example, Mr Finnegan is fantastic at PE therefore he is the PE teacher. There is one similar thing the teachers share though, they will help you whenever you need it. They spread kindness wherever they go and they are trustworthy. These are our teachers.

Expectations:

You are expected to listen to the teacher and do the best work you can. You are not allowed to speak if the teacher is speaking or others are talking. You are not allowed to physically or verbally hurt someone (even if they have done it to you), just tell a teacher if you see it happening; they will sort it out.

Subjects:

There are a lot of subjects to learn in our school. Here are some of them: English, Maths, French and Art. We learn a lot at school throughout the day.

Student jobs:

There are quite a lot of student jobs that children can undertake. For example, there are Head Pupils, Student Council, and Eco Committee. These are just some of the jobs you can do at our school. To gain one of these roles, you have to apply in writing. Then, when the whole class has heard your statement, they will vote for who they think should get the job. If you are chosen, you get a badge. You keep this for the rest of the year.

Golden Tickets:

Golden tickets are wonderful to get and you will always want one, You can get these by earning House Points (which are talked about further on). Golden tickets are where you get to do something from a list, for example, extra play, cooking or become a TA for a bit. Obviously because of our current situation, the choice is extra play only.

Break and Lunch:

At lunch time, everyone has half an hour to eat. You will then pack away and either get ready for play time or lesson time. You will get a morning play for fifteen minutes and you can have a snack. Then you will get a lunch play, where you get half an hour. AT this current time we cannot mix bubbles so our playground is split into zones. Each year group gets a zone to play in.

This is our school logo:

We also have our school moto: Dream, Believe, Aspire, Achieve at Millbrook Junior School.

House Points and House Teams:

There are four house teams you can be in: Ise, Slade, Willow and Harpers, In Year 6 you can become a House Captain. When you earn house points you help your house team to win. You can earn points by being good and trying your best at your work.

Library:

In our school, we have a library. In our library, we have a librarian called Mrs Mitchell. She works in there and makes sure that everyone gets a book and keeps the library tidy. In our library, we have books of all kinds to keep everyone entertained.

PE:

In Millbrook Junior School, we have PE which takes place on the playground. Our PE teachers are Mr Finnegan and Miss Dickens. We learn so many things each time. Our teachers are really nice and are experts in PE. This is PE.

This is Millbrook Junior School. This letter tells you how good our school is. Millbrook Junior School is the place for all learners. Have I convinced you enough?

Yours faithfully

Lucy W
