June 2020

Dear Parent/Carer

Transition for the children starting with us in September is obviously very different this year. At the moment we are very unsure as to what September will look like. So we are sure that you understand these plans may change.

We are working on the assumption that the children will be starting in their new classes in September as they would normally have done. If we are told any differently we will be in touch to let you know what we will be doing instead.

At the moment we are planning to ask the children to come into school on Wednesday 2nd September for a short amount of time. This will be a training day so there will be no other children in school. We will be asking half of the children to come in at a time. This will give the children a chance to see their classrooms, meet their teachers and ask any questions they may have before starting on Thursday 3rd September.

Please bring your child to school on **Wednesday 2nd September** for **1.15pm** and collect them at **3.15pm**. You will be able to come in the gate that leads onto the playground. **Mrs Green and Mrs Bugg** will come out and collect the children from you.

The children will then come into school for a full day on **Thursday 3rd September**. We will be in touch nearer the time about the exact details of picking up and dropping off.

On our school website there is lots of information for you and the children about starting at Millbrook Junior School. Hopefully this will answer some of the questions they and you might have. There is also an email address just for queries surrounding transition.

We look forward to meeting you in September

Jenny Green
Year 3 lead
