2<sup>nd</sup> October 2020

Dear Parent/Carers,

I would like to invite you to an Online Safety Zoom meeting at Millbrook Junior School on Wednesday 14<sup>th</sup> October 2020 at 6pm. The evening will be looking at some of the things your children may be exposed to online as well as practical advice to support your child staying safe online.

We know that the amount of resources and information available online is incredible, but we are also aware that there are a wide range of dangers online too. As parents and carers, and as a school, it is our duty to do our best to protect our children and I would encourage you to give up an hour of your time to join me that evening.

The session is suitable for adults only (due to some statistics we will be sharing). As a school we are committed to ensuring the online safety of all young people and will be teaching the children about Online Safety in school.

If you would like to attend, please let me know via the school office. To ensure access to the meeting, please provide your email address so that I can send you the room ID and password on the evening.

Yours sincerely

Andrew Wood  
Online Safety DSL
