

Year 6 Home Learning

Please find below tasks to complete for your weekly home learning.

Daily Reading - Please read at home for at least 20 minutes **daily**. Record all reading in your planning and ask an adult to initial your planner each day. Remember that you can quiz at home by accessing AR via the school website.

If you finish your reading book, you can also read books on myON and quiz on these.

<https://www.myon.co.uk/>

Remember that you can reserve new books through the reading cloud.

<https://www.readingcloud.net/>

First, make sure you have logged into your OWN account on Reading Cloud. To reserve books, type into the Search box on your home page. Once you find a book, click on the book title to find out more. You can request up to 4 books at any one time. Should you change your mind, click "unreserve" to remove it from your list.

Spellings

Learn the spellings that have been stuck in your planner each week. Use different strategies to learn these words.

Maths - Remember to complete your MyMaths task(s) online.

<https://www.mymaths.co.uk/>

Times tables - In Year 6 you need to increase your speed and fluency when recalling times tables up to 12 x 12.

Log into your Rockstar account and begin with 'Gig' as instructed.
